This position plays a critical role in evaluating claims, determining coverage, coordinating adjusters, and ensuring accurate and timely claim resolutions. The ideal candidate is analytical, detail-oriented, and capable of making well-reasoned decisions in a fast-paced environment.

## Main Activities and Responsibilities

- Coordinate and manage claims
- Determine coverage and liability decisions
- Assign claims to adjusters
- Validate claim consistent with the adjuster's report
- Ensure timely payment of claims

## Requirements

- HBO level in either Accounting, Finance, Law or similar
- Strong written and verbal communication skills in English, Papiamentu & Dutch

## Skills and Qualifications

- Excellent analytical skills
- Critical reasoning skills
- Strong time management skills
- Excellent interpersonal skills
- Professional attitude and appearance
- An energetic approach that inspires other team members

## Why Join CG United?

- Competitive compensation package, including year-end bonus
- Strong pension plan to support long-term financial security
- Education & professional development budget to help grow your skills
- Professional, supportive work environment with opportunities to grow
- Be part of the largest general insurer in the Caribbean

Interested candidates may submit their cover letter and CV to **info@cgunited.insure**
