

# PROPERTY & CASUALTY UNDERWRITER

We are seeking a **Property & Casualty (P&C) Underwriter** for our Curaçao office. In this role, you will play a key part in evaluating risks, supporting brokers and clients, and ensuring the effective administration of insurance policies while maintaining the company's underwriting standards.

## Main Activities and Responsibilities

- Assess risks for P&C Insurance in line with underwriting guidelines.
- Evaluate broker and client submissions to determine coverage terms and pricing.
- Provide underwriting support and maintain strong broker relationships.
- Prepare quotations, endorsements, and policy documents.
- Monitor accounts to ensure proper risk management and performance.
- Identify risk exposures and recommend appropriate insurance solutions.
- Handle underwriting administration, including policy issuance and documentation.
- Work with internal teams to ensure efficient policy processing.

## Requirements

- HBO degree (or equivalent higher professional education).
- 1–3 years of experience in the insurance industry, preferably in underwriting or a related field.
- Fluent in Dutch, English, Papiamentu, and Spanish.
- Strong written and verbal communication skills.
- High integrity, professionalism, a proactive mindset and the ability to take initiative.

## Skills and Qualifications

- Strong analytical, problem-solving, and risk assessment skills.
- Ability to work independently and collaboratively within a team.
- Strong organizational and administrative skills.
- Customer-focused mindset with excellent interpersonal skills.

## Why Join CG United?

- Competitive compensation package, including year-end bonus.
- Strong pension plan to support long-term financial security.
- Education & professional development budget to help grow your skills.
- Professional, supportive work environment with opportunities to grow.
- Be part of the largest general insurer in the Caribbean.
